

JAC Recruitment expands into Southern India, opens second office in Bengaluru

17th January 2023

FOR IMMEDIATE RELEASE

JAC Recruitment India has established its second office in Bengaluru, a strategic move to provide greater assistance to a larger number of companies with Japanese operations in the southern region of India. Opening today, this latest expansion is part of JAC Group's ongoing initiative to extend its global reach and international footprint.

"We're always looking at ways we can support our clients with their business and expansion plans," shares Adil Driouech, Group Managing Director of JAC Group (Ex-Japan). "And now, with a second office in Bengaluru, we will be able to help to do just that."

JAC Recruitment India is a specialist recruitment firm that supports clients through permanent hiring and client advisory across a range of industries, including chemicals, manufacturing, industrial, textiles, consumer goods, engineering, construction, logistics, IT supply chain, trading, and healthcare.

JAC Recruitment India's first office was established in Gurgaon in March 2014 and is managed by Kazuo Komaki, Managing Director of JAC's operations in India, who will also manage the Bengaluru operation. The newly opened office, located at WeWork on Residency Road in the city centre, will provide consultants with the opportunity to engage with and serve key clients in the region.

"The addition of a second location allows us to enhance our interactions with existing clients through more frequent face-to-face meetings, as well as provide us with the chance to build key connections with numerous other companies in the Southern region," shares Komaki.

JAC Recruitment India is a part of JAC Group, a leading recruitment and business solutions consultancy with over 45 years of specialised recruitment experience and expertise in strengthening the growth of companies throughout Asia, Europe, and the United States. JAC Group is known for its strong regional network, specialised industry focus and detailed understanding of the local markets, which allows the business to deliver excellent service and source exceptional talent.
